Gaya, Bihar

OBJECTIVE

BCA student with a strong foundation in software development concepts and hands-on project experience. Seeking an entry-level role to apply technical skills, contribute to development tasks, and grow in a professional environment.

EDUCATION

Bachelor of Computer Applications (BCA) Aug 2023 – Jun 2026

Chandigarh University, Punjab
CGPA: 7.59

Intermediate (BSEB) Aug 2019 – Jun 2021

Gaya College, Gaya
Percentage: 74.4%

Matriculation (CBSE) 2018 – 2019

Gurukul Majhanpur Indira, Gaya
Percentage: 61.8%

PROJECTS

Tic-Tac-Toe Game (github.com/Arshiraj/TIC-TAC-TOE) Jul 2025 – Oct 2025

Tech Used: HTML, CSS, JavaScript

- Built a browser-based two-player Tic Tac Toe game with a 3x3 grid using HTML, CSS, and JavaScript.
- Implemented win and draw detection logic covering 8 possible winning combinations.
- Designed a responsive user interface with animations, sound effects, and game reset functionality.

Car Rental System (github.com/Arshiraj/Car-Rental) Feb 2025 – Apr 2025

Tech Used: C++, Object-Oriented Programming (OOP)

- Developed a menu-driven console-based car rental system in C++ using object-oriented programming.
- Designed 3 core classes (Car, Customer, RentalService) to manage rental operations.
- Implemented rental cost calculation based on car type and rental duration.

SKILLS

- **Programming Languages:** C, C++, Java
- **Core Skills:** Object-Oriented Programming (OOP), Data Structures and Algorithms, HTML, CSS, JavaScript, SQL, DBMS
- **Tools & Platforms:** VS Code, Git, MySQL Workbench, Microsoft Word, Excel, Powerpoint
- **Soft Skills:** Communication, Team Collaboration, Task Prioritization

ACTIVITIES & ACHIEVEMENTS

- **Courses & Certifications:** Programming using C++, Web Development (HTML, CSS, JavaScript)
- **Awards / Activities:** TCS HackQuest (Participant), Navprayas – Team Lead, Coding Contests
- **Coding Profile:** Solved 150+ problems across platforms such as LeetCode, GeeksforGeeks, HackerRank

EXTRA-CURRICULAR

- Achieved second position in a makeup competition (Moonlight Vows), October 31, 2023.
- Volunteered with Vriksh – Be The Change, teaching underprivileged children for one month.
- Led a team with Navprayas Education NGO to conduct a competitive exam for 200+ students.
